V-12643.2

Ref: WLA-23298 *filed* US DREXER

1. Subject (Identity 1) appears to be the daughter of V-12643. Since she has a different true name than that used by her father, one can surmise either that she is using a married name or possibly she is a step-daughter. The possibility that the true name identification are incorrect is considered unlikely.

2. V-12643.1 (Identity 2) is the wife of V-12643. FBI files carry them as using the same true common name.

3. V-12643 is listed as Pimastatelle 11d filials letter. His wife or daughter do not appear in the Optik, however.

4. If the above information completes any link in your background information based on the KIFFER telephone intercepts, please let us know.
